SUBJECT: COOPERATIVE SEVERE ACCIDENT RESEARCH PROGRAM, MELCOR
CODE ASSESSMENT PROGRAM TECHNICAL REVIEW MEETINGS, AND
MELCOR WORKSHOP

Dear Colleagues:

The next Cooperative Severe Accident Research Program (CSARP) technical review meeting and the MELCOR Code Assessment Program (MCAP) meeting will be held from September 14 through 17, 2010, at the Residence Inn Bethesda, Bethesda, Maryland. A preliminary program plan for CSARP and MCAP meetings is enclosed. We are sending this preliminary announcement and the program plan to you as the principal CSARP representative of your country, and asking you to send us titles and authorship information for technical presentations that your organization, as well as other organizations in your country, plan to make at both the CSARP and the MCAP meetings. A response from you on or before June 30, 2010, will be appreciated. This will help us develop a preliminary agenda for the meetings in a timely manner. A one-day MELCOR 2.1 advanced user workshop will be held on September 13, 2010. The agenda for this workshop will be sent out in late June 2010.

A block of rooms at a special conference rate (\$229/night plus applicable taxes – currently 13%) has been set aside at the Residence Inn Bethesda, 7335 Wisconsin Avenue, Bethesda, Maryland.
